

LEX Harold H. Brown “Brownie” Global Exchange Scholarship Application

The Harold H. Brown "Brownie" Global Exchange Scholarship aims to promote international understanding by assisting those who would not otherwise be able to participate in a life-changing opportunity on a LEX exchange program or overseas internship.

Scholarships are to be used on exchange programs and internships organized by LEX America to travel overseas from the United States. Applicants may be LEX members, members of our partner organizations, or from the general public. The minimum amount of the scholarship is \$200 and the maximum is \$1500 or half of the program fees, whichever is less, per person. Please do not ask for more than you need - we would like as many people as possible to benefit from the scholarship. Availability and amount of the scholarship is based on availability of funds and approval of the Selection Committee. LEX Language Project does not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, national origin, ancestry, age or handicap. All decisions of the scholarship committee are final. Any scholarships must be used in the calendar year they were awarded. If the recipient withdraws or is dismissed from the program, funds must be returned to LEX. Individuals who have received a scholarship from LEX in the current or previous calendar years are not eligible to apply.

Scholarship Recipients are required to complete the following upon their return:

1. Newsletter article (100 word minimum) and 5 photos for LEX.
2. Presentation of your homestay experiences with at least 3 audiences (at LEX clubs, your 4-H club, church, school, other community organizations, etc.) Share videos of these presentations back to the LEX office.
