LEX INTERN IN JAPAN TRAVEL WAIVER AND RELEASE OF LIABILITY

In consideration of the services provided by LEX America, Inc., doing business as LEX Language Project and its affiliates, LEX Institute/Hippo Family Club, LEX Mexico, and Hippo Korea and each of their agents, directors, officers, volunteers, participants, employees, independent contractors, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "LEX Language Project"), the applicant for the LEX Internship in Japan (the "Internship") agrees that their participation in the Internship is conditioned on understanding, acknowledging, and pledging the following:

- 1. Travel to foreign countries, including but not limited to Japan, may involve risks including search and/or seizure of property by governmental authorities, loss or damage of property, diseases, and personal injury or death. I understand and assume these risks and acknowledge that it is my responsibility to take precaution to safeguard my health and to protect my personal belongings from damage or theft. Although LEX America, Inc. doing business as LEX Language Project ("LEX Language Project") will provide information and advice on safe travel practices, I understand that LEX Language Project cannot guarantee my safety or the safety of my belongings before, during, or after the Internship.
- 2. I am also aware that traveling during and after the COVID-19 pandemic involves certain inherent risks, dangers and hazards, which can result in serious infection, personal injury or death. I further acknowledge, understand, appreciate, and agree that my participation may result in possible exposure to and illness from COVID-19. While protocols and personal discipline may reduce this risk, the risk of serious injury, illness, and even death is not possible to fully mitigate. Thereby, I hereby freely agree to assume and accept all known and unknown risks of exposure to COVID-19, as well as any and all additional cost that may be incurred due to exposure or the risk of exposure, even arising from the negligence of LEX Language Project or others and assume full responsibility for my participation.
- 3. Social, cultural, political, governmental, legal, and medical laws, policies, and standards of foreign countries, including but not limited to Japan, may differ from those in my home country. Behavior considered acceptable or normal in my home country may have negative consequences elsewhere. I understand and assume these risks and acknowledge that I alone am responsible for my behavior or any consequences thereof before, during, or after the Internship. I further understand and agree that any independent travel in which I choose to engage in before, during, or after the Internship will be at my own expense and risk, and is not considered part of the Internship. I acknowledge that while LEX Language Project may provide me with information regarding extra-curricular activities or travels, this in no way represents an endorsement by LEX Language Project of those activities or destinations.
- 4. I and my family, heirs, and personal representative(s) release LEX Language Project and its affiliates, LEX Institute/Hippo Family Club, LEX Mexico, and Hippo Korea and each of their agents, directors, officers, volunteers, participants, employees, independent contractors, and all other persons or entities acting in any capacity on their behalf, in their official and individual capacities (collectively, "Covered Persons") from, and agree not to sue any Covered Person for, any and all claims and causes of action for penalties and fines, loss of or damage to property, bodily or personal injury, or death sustained or incurred by me or third parties arising out of my participation in the Internship, except for those that arise out of a Covered Person's willful misconduct or gross negligence.
- 5. I agree to defend, indemnify, and hold harmless Covered Persons for any and all losses, expenses, claims, judgments and liabilities (including attorneys' fees) of any nature, including those by third parties, arising out of or in consequence of my actions, words, conducts, or omissions in connection with the Internship.
- 6. I waive any and all rights that I may have regarding the use of my name, pictures of me, or recordings of my voice that may be used by LEX Language Project for advertising or promotional purposes, including, but not limited to, use in a print advertisement, brochure, website, or other online materials. I grant permission to LEX Language Project to use my picture, voice, or name for advertising or other promotional purposes UNLESS I cross out this paragraph and initial in the margin.
- 7. I understand that LEX will provide me with medical insurance during the Internship, but that some things such as pre-existing conditions or mental health conditions may not be covered or may not be fully covered. I assume full responsibility for payment of any expenses incurred which are not covered by the insurance.
- 8. I have carefully and freely signed this Travel Waiver and Release of Liability. I agree that this document shall be governed by the laws of the Commonwealth of Massachusetts, which shall be the forum for any lawsuits filed under or incident to this waiver.
